

PARENT & CHILD PROGRAM

As your child's first teacher, you play a critical role in these early years of learning. **Parent & Child** is designed to provide opportunities for babies and toddlers to learn through facilitated play. Along with an experienced teacher, parents will work and play collaboratively to enrich each child's experience.

**Ages
6 - 36 mos.
(as of 9/10)
Wednesdays
9:30 – 10:30**

Our well-equipped second floor classroom offers a variety of age-appropriate materials that stimulate hands-on exploration. The morning will include music and movement activities, guided play, and informal discussions of parenting and child development issues that are of interest to the group.
